MESSAGE FROM KRIS SPURRELL, PRESIDENT

To say that 2020 has been a difficult year is an understatement, and in the Exploits region, we have been weathering the pandemic and the economic hardships that go with it in true form - with strength of character, iron will, and hope for the future. 2021 will bring its own unique challenges. We can expect to navigate issues surrounding the pandemic, delivery of the vaccine, and the economic challenges presenting themselves. As your Chamber, we will be there to support our members in everyway possible. We look to the future with hope and the knowledge that when we purposely support each other we are stronger.

We continue to build on our Shop Local campaign to strengthen awareness of why it's so important in our communities to shop local. As previously announced, look for a new website, more communications from the Chamber to promote local business, a new logo, and more advertising on the radio and at the Classic Theatre. If you would like more information on the Shop Local Campaign, want to know how to become more involved with the Chamber, or want to discover how membership can benefit you visit <http://www.exploitschamber.com> or call our office at 709.489.7512.

Yes, English can be weird, but it can be understood through tough thorough thought, though. 🤖

People who buy coffee primarily at drive-thru windows on their way to work will spend about 45 hours a year waiting in line. 🕒
