MEMBER PROFILE

Shawn and Jackie Feener opened the Classic Theatre in 2011 with an objective in mind to reimagine entertainment by offering something different in theatre. After ten years in the entertainment business our plans for the future are to bring another screen to the theatre which will considerably open up our options with respect to movie screenings. With two auditoriums, we could use one or the other periodically for live shows. This would be a great addition for the business and our patrons.

We have upgraded the projection, to the latest Doremi digital system with a new screen and sound system with seating capacity for 220.

Our concession stand sells a wide variety of items and arguably the best popcorn in Central NL, as well bar services! We offer private rentals for corporate or family functions, birthday parties etc.

Also offered, Captiview In Seat Closed Captioning units for people with hearing loss. And hopefully once the pandemic has ended, we can get back to offering our sensory friendly showings which are tailored to those who have sensory issues. We've also installed a wheelchair ramp to make the theater more accessible and inclusive for all our patrons.

In addition to a great place to enjoy a movie we have had quite a bit of success with musical shows and comedy acts. The Classic welcomed everyone from Tyler Shaw to Justin Martin, and Tina Randell to Michael Lynch, and Meatloaf Tribute band to the Ladies of Country. We have also produced many fundraisers at the Classic to assist people and our community with their needs.

Our success is due to making the theater a "community" based center that has something for everyone that bring friends and families together to enjoy a good time.

The "classic" feel in the future. We know the nostalgic appeal the theater has for many generations of people who grew up in Central so we will do our best to update without taking away that amazing character.

Health Foundation requesting promotional support from local business community

Dear Chamber members;

On April 19th the South and Central Health Foundation's launched the **Big Break Lotto**, an online 50/50 lottery to support healthcare initiatives in southern and central Newfoundland.

Due to the pandemic our charity had to scale back in-person fundraiser over the past year. With day-to-day uncertainty about our ability to host major fundraisers, we have decided to try online fundraising.

Tickets for the lottery are purchased only online or through a toll-free number; however there is still promotion to be done. The purpose of this letter is to request our local business community's help.

How You Can Help:

Meet our travelling promotional sandwich board. We are seeking businesses to host our sandwich board for a day (or longer) in front of their business. (We will drop off and pick up)

If you host our sandwich board we will share a photo of your business store front hosting the board and thank you for supporting local healthcare initiatives. It will be shared on the Foundation's social media platforms: Facebook and Twitter.

We feel **Supporting Local** is as important as **Shop Local**.

If you are interested in hosting our sandwich board please call Wendy Houlihan at 572-0658 or email wendy.houlihan@centralhealth.nl.ca.

If you cannot host our board because of franchise guidelines you can still help by sharing on your social media. Visit our lottery website at www.bigbreaklotto.ca or follow us on Facebook.

Thank you
